

# EMPLOYABILITY EXPLORATION

The Employability Exploration identifies strengths and gaps in delivering employability skills.

Take part in a collaborative format to engage in practical discussions around the results.

Provides a starting point for programs and instructors as they begin to consider the topic of Employability for their students.

**QUICK - EASY - INEXPENSIVE - POWERFUL**

## WHY QAC?

QA Commons is uniquely positioned to ensure all learners are prepared for the changing dynamics of the workforce and economy.

Our services have become key elements in helping colleges, universities, state-wide educational systems, and workforce development agencies to expand and enhance their career readiness programs and services.

## EXPLORATION ELEMENTS

**30 Minute Initial Survey**

**Easy-to-read, graphical reports**

**90 Minute Guided Discussions**

**Building a Community of Learning**

**LEARN MORE**

## Benefits of Exploration

Builds faculty and instructor awareness around topics of employability

Identifies current program strengths and opportunity for growth

Motivates faculty and instructors to more fully embed employability in their curricula

"In today's world of software engineering and ever-more technology, it's soft skills that employers want. 91% of companies cited this as an issue and 80% of companies are struggling to find better soft skills in the market."
